-> Fill out the complete Application Form and attach the documents to the application form.

-> Send the application by one of the following means-

Option I-

Send the complete hard copy via land mail to Headquarters's address-

"Indian Association of Chartered Physiotherapists, D-4, Good Luck Apartment, Near Leela Hotel, Cantt Road, Lucknow. 226001 (U.P.)"

Option II-

Scan the complete application form (with all the documents) and send the scanned PDF via email at ***fellowship@charteredphysiotherapy.com***

-> You will first receive an email of the application received.

-> It takes about 1 -2 weeks for the application to be accepted or rejected.

-> Once the application is accepted, you will have to pay the Fellowship fees to confirm your enrollment in the program.

-> When you are successfully enrolled in the program, you will have to submit three proposed topics for your research work.

-> Once of the proposed topics will be selected and finalized by the Association.

-> You will get a complete instruction guide with the selected topic.

-> You will have to start your Research Project Work by now.

-> Candidate has to submit their Research Work by the end of 6th month from the confirmation of the Enrollment.

-> After scrutinization of the Research Work submitted you will be awarded with the Fellowship.
